# Invest in your health with your Top Doctor

Dr. Ziering's innate passion for healthcare and drive to pursue a career in Family Medicine began at an early age. He, his siblings, parents, and grandparents were all seen by the same Family Physician, and he found the concept to be comprehensive, inspiring, and comfortably familiar. After graduating Magna Cum Laude from Muhlenberg College with a dual major in Biology and Natural Science, he received his MD from the University of Medicine and Dentistry of New Jersey (Rutgers). He attended the Family Practice Residency Program at the RWJ/Somerset Medical Center Family Practice Program.

Postgraduate, Dr. Ziering opened his own private office and served as a Clinical Researcher for Experimental Medications involved in the first wave of the HIV/AIDS pandemic and became an educator on the subject for the University System. Shortly after joining Morristown Medical Center in 1992, Dr. Ziering became Chairman of the Department of Family Medicine. Aside from traditional family practice, he continued to research areas new to medicine, including Transitional Medicine and Healthcare unique to the LGBTQ community, and served as the Medical Director for LGBTIQ2 Medicine.

During Dr. Ziering's tenure of 30 plus years, he has been recognized for his exceptional work, receiving over 20 different honors throughout his career, including Castle Connolly Top Docs.
