Dr. Gary Schwartz

As a physician, my greatest satisfaction is derived from working closely and comprehensively with my patients in an unhurried environment, so that I can be my patients' advocate and advisor regarding longevity and quality of life.

In order to alleviate some of the barriers in today's healthcare environment that interfere with my ability to continue to practice this way, I have collaborated with Castle Connolly Private Health Partners, LLC

(CCPHP), to create a new concierge program called Schwartz CCPHP, LLC.

A more convenient, connected, and collaborative approach to care.

The program provides my patients with a wide variety of membership amenities to enhance their care experience, such as access to the innovative SENS Solution® Wellness Program, which includes a personal health coach who collaborates with me to optimize their wellbeing.

The patient-physician relationship is what I value the most as a practitioner. With this model, I will be able to provide a connected, convenient, collaborative care approach on a more ongoing and consistent basis. Ultimately, this program allows me to get back to putting you, my patient, first.

You can learn more about the program as well as all of the benefits of Membership in this brochure and by calling **(201) 866-3002**.
