12. SENS Solution[®] Health Assessment. The opportunity to receive a personalized assessment of your overall wellness status and needs through the SENS Solution[®] Risk Assessment. This Assessment takes a close look at the four lifestyle pillars by having you fill out an electronic self-

assessment tool, the results of which are reviewed by a SENS Solution® Health Coach, and which can help your Physician and SENS Solution® Health Coach work together to create and monitor a customized wellness plan. Note that this wellness assessment is not a clinical assessment, and the assessment and plan are not intended to be, and should not be construed as, a Welcome to Medicare exam or an annual covered wellness visit, exam, treatment or clinical service.

13. SENS Solution® Health Coaching Program. Access to a SENS Solution® Health Coach, who, utilizing the SENS Solution® Risk Assessment, will provide you with customized support and education, to help you identify and resolve potential barriers to a healthier lifestyle. If you participate in the SENS Solution® Health Coaching Program, your SENS Solution® Health Coach will consult with your Physician and help you achieve your wellness goals, one step at a time.
